

# AirBnB Listings Across Seattle

Across Seattle, there are many different AirBnB listings that vary availability, location and price. Many listings are conveniently located near the city center.

Furthermore, many individual neighborhoods within the city areas provide greater variety in their general availability, location, and price options.

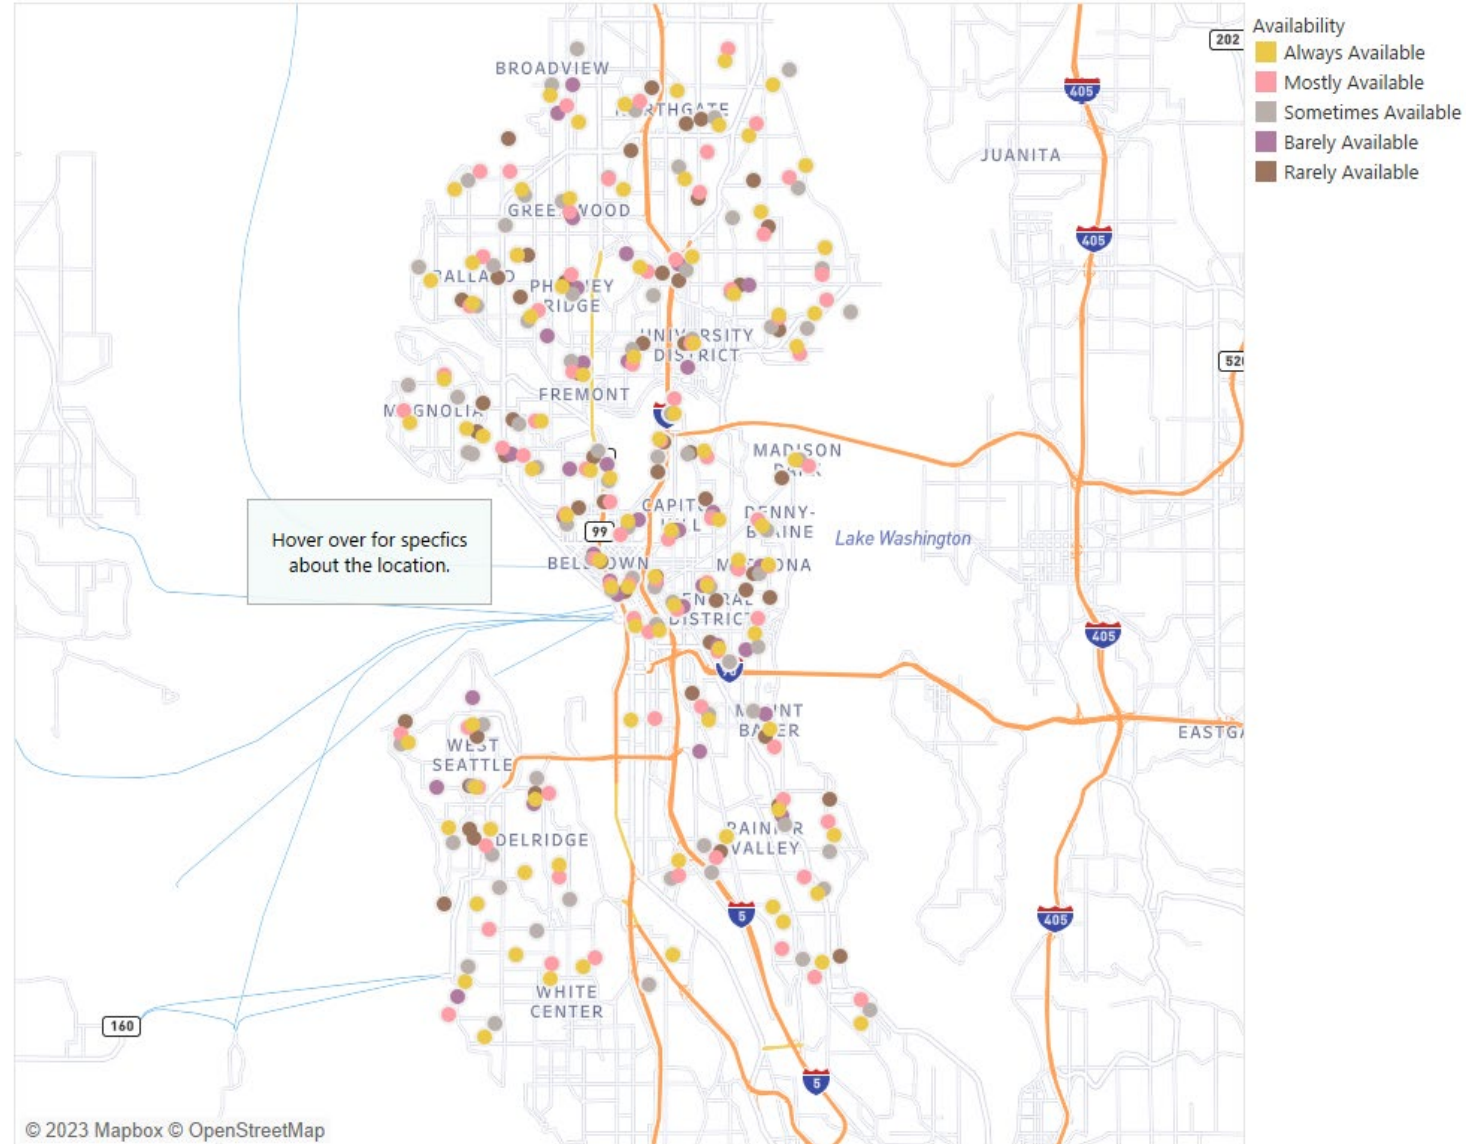

# AirBnB Listings Across Seattle

Bookers pay a higher cost (~\$200 to \$600) for an entire listing rather than a private (~\$100 to \$250) or shared room (~\$50 to \$100) and tend to book the former for more evenings (~2 to 4)..

During the year, Seattle bookings tend to pick up month over month as weather seemingly improves. In 2015, August witnessed a booking surge that continued through the fall and winter holidays peaking in December.
